DID YOU KNOW?

You can charge your Qi enable device using the wireless charger.

- Connect the Type C cable provided to the wireless charger and the USB to an adapter or USB port (adapter not included).
- Place your Qi enable device in the centre of the wireless charger.
- The charging indicator light will illuminate blue when your device is charging and change to white when your device is fully charged.
- To turn the mood light ON/OFF, touch the button twice. Touch the button to adjust the brightness.
