DID YOU KNOW?

You can play music from a Bluetooth enabled device.

- a** Take both earphones out of the charging case. The indicator lights on both earphones will flash red and white. When the earphones have both connected successfully, the indicator light will continue to flash red and white on one earphone and the other will flash white. You will also hear a voice prompt "connected".
- b** To connect to the True Wireless Earphones turn on Bluetooth on your device and select "GOODMANS WIRELESS" from the list, you will hear prompt tone.
- c** When your smartphone or device is paired to the True Wireless Earphones, use your music App to playback your music and control the volume.
