Assembly Instructions

MAX. LOADING: 4KG FOR WHOLE PRODUCT
(1KG PER UPPER STORAGE, 2KG FOR LOWER STORAGE)

SAFETY INFORMATION**Top Tips Before You Start**

- Please check that all parts are present before you start the assembly of your furniture.
- For ease and speed of assembly, we recommend that before you commence each step of the assembly, that you identify all the parts required for that step.
- Please ensure that you have sufficient space and people to assemble your product safely.
- We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
- For the protection of your furniture, we recommend that the product is placed on a protected surface during assembly to prevent any damage.

Warnings:

- Adult assembly is required. The assembly should be checked by an adult before each use.
- Unassembled product contains small parts which may present a choking hazard.
- Children should be kept away from the product during assembly to avoid any possible risk of injury.
- Do not use power tools in the assembly of this product as there is a risk of over - tightening and consequently splitting of the wood.
- This product is not suitable for children under age 3 & recommended for children in the age 3 to 12.
- Do not load more than max. loading: 4kg for whole product (1kg per upper storage, 2kg for lower storage). Otherwise there is a risk of injury and/or damage to the product.
- Adult supervision is required at all times whilst children play with this product.
- Do not use this item if any components are missing or damaged.
- Please remove all packaging and packing tags/wires before presenting to a child.
- Small parts. Choking hazard. Packaging is not a toy.
- The parent should regularly check all fittings and re-tighten as necessary before giving the product to children.
- Always place the product on flat, steady and stable surface to prevent tipped over.
- Do not stand or sit on the product. Do not use the product as a stepladder.
- This product is intended for indoor, household use only as it is non industrial product.

Care and Maintenance of Your Furniture:

- Surface wipe only.
- To clean your item, please use a damp cloth and wipe clean. Dry naturally.
- Do not place hot items (e.g. hot drink) directly on the surface.
- Do not use cleaning products which contain ammonia, solvents or abrasive material.
- Do not drag and pull your furniture.
- Do not expose the item to extremes of heat and humidity.
- Examine the product regularly for wear before giving to a child.
- Do not let children play with broken furniture to avoid accidental swallowing suffocation.
- Please retain this information for future reference.

WARNING: Anti-tipping hardware is only a deterrent. It is not a substitute for proper adult supervision. Young children may be injured by tipping furniture and the use of a tipping restraint is highly recommended. This hardware, when properly installed, could provide protection against the unexpected tipping of furniture due to improper use. Please ensure the anti-tipping hardware provided is suitable for your wall or else it might damage your wall during installation.
